

# WHAT THE CITY ISN'T TELLING YOU.

Sheryl Sculley and City Council have invented a financial crisis to make you believe public safety is threatening the city budget. Now, they're even suing police officers.

## YOU DESERVE THE TRUTH. HERE'S WHAT THEY DON'T WANT YOU TO KNOW:

First, the percentage of public safety spending is the same now as it was 15 years ago.

Second, we have put 5 offers on the table, including offering to pay premiums and share costs, and each one was rejected without legitimate cause.

And finally, we agreed to the City's demand for a third party auditor to provide an unbiased assessment of their numbers and ours. At first, the City agreed, and then within 24 hours, they rejected their own offer.

We've worked in good faith, but City leaders have failed us and you, *the taxpayer*, by not dealing straight. Police officers put their lives on the line everyday and deserve better—so do you.

**STAND WITH US.** Tell Sheryl Sculley to negotiate fairly and not threaten public safety with lawsuits and pay cuts.
